

Principal's Credentials

Frank Kendrick
Principal-in-Charge
NuJak Companies

Frank is a graduate from the University of Florida's College of Building Construction. He is known for his creativity, innovation and high standard of excellence. As CEO and founder of NuJak Companies, he applies these principles to every project. Frank is responsible for setting the overall strategic direction of NuJak Companies and serves as the principal relationship manager with the company. His broad construction knowledge, real estate experience, professional accomplishments and business relationships are what make him so successful at leading and managing this team.
